Dear Councilmembers,

The Union Hill Neighborhood Association (UHNA) has only just learned of this proposed ordinance.

Given the MANY potentially detrimental impacts of this proposed change on quality of life for homeowners and residents in our neighborhood, we feel it warrants further discussion with our neighborhood residents and neighborhood leaders.

As a neighborhood who has navigated problems with tavern-type establishments in the past, the UHNA board is not only concerned with parking issues, but with other potential detrimental impacts on our quality of life as Kansas City continues to develop and grow.

Please hold this ordinance until greater community engagement with our residents can help address our concerns.

Thank you for hearing us,

Union Hill Neighborhood Association Board
