Discussion (including relationship to other Council actions)

The American Rescue Plan Act (ARPA) was signed into law by the President of the United States on March 11, 2021, and appropriated $325 billion to states and units of local government to cover costs related to, and address the negative economic impacts associated with, the COVID-19 pandemic.

The City's stimulus spending plan, "RecoverKC," was finalized and adopted by Ordinance No. 210392 by the City Council on May 27, 2021, to establish the costs, uses, and programming for which the City's first tranche of $97,388,188.0 million in stimulus funds are purposed. “RecoverKC,” increased the Unappropriated Fund Balance of the City’s General Fund and Parks and Recreation Fund.
