---

I'm writing to voice my opposition to Ordinance 210966.

Traffic is unsafe in Kansas City and this bill would make things less safe for all road users. Citizens should have the choice of using whatever mode they want to, and in a safe manner. Nobody needs to die when they travel in KCMO, this bill would continue the trend of more and more deaths and serious injuries on our roads each year.

Thank you for your time.
