LEGISLATION IN BRIEF:

HIV Services Grant Consultant

What is the reason for this legislation?

Kansas City Health Department HIV Services Division is in need of a content expert to provide consultation, technical assistance, and develop resource materials and workshop presentations related to Capacity Building Assistance, Ending the HIV Epidemic, and HIV Prevention grants.

Discussion (including relationship to other Council actions)

Purpose of The HIV Services Grant Consultant is to ensure grant deliverables are met that require expertise and institutional knowledge related to specific interventions and grants. The Consultant will work closely with the HIV Services Manager to ensure deliverables are met and high quality services are provided related to the HIV Services' Ending the HIV Epidemic and Capacity Building Assistance awards. The consultant contract is for thirteen weeks and will provide for 30 hours of consulting services per week during that period.
