LEGISLATIVE FACT SHEET

Legislation Number:	**220559**
Approval Deadline:	

LEGISLATION IN BRIEF:

Accepting and approving a one year $596,451.00 contract with the Missouri Department of Health and Senior Services that provides for core public health functions.

What is the reason for this legislation?

To accept a $596,451.00 contract amendment for Aid to Local Public Health Agencies (Core Functions) from the Missouri Department of Health & Senior Services for a period beginning June 1, 2022 through May 31, 2023.

The purpose of this agreement is to strengthen public health agencies that endorse health systems in Missouri by providing funding to local public health agencies that promote their role as community leaders in performing core public health functions of assessment, policy development planning, assurance and environmental health planning control and surveillance.

Discussion (including relationship to other Council actions)

This contract supports on-going KCHD programs in the Communicable Disease Control, Environmental Health and Health Education/Chronic Disease Control divisions, and contributes to communicable disease surveillance and reporting, community health assessments as well as collaborations & partnerships with civic organizations to develop and implement population based strategies.
