Subject:	Future of Bike Lanes in KC
Date:	Friday, December 10, 2021 4:38:14 PM

As a citizen of Los Angeles County in California, I see how the lack of accommodations for foot traffic and bike lanes contributed to our awful traffic problems in neighborhoods and commercial areas.

City Hall must not allow the recent improvements along Gillham to be removed. It should be easier, not harder, to build bike lanes anywhere in the city.

Respectfully,
Marie Callahan

Don't fault. Find remedy.
