Dear City Council City Council,

I am asking you to oppose Ordinance 230092. The Truman Road protected bike lanes deserve to be preserved and completed.

I have lived in Kansas City for a decade, and during that time have used a bike as my main form for transportation. I have seen a great increase in the number and types of riders I see out on my commute now, thanks to the new bicycle facilities. I myself also feel much safer on protected bike lanes and think they are crucial to keeping all road users safer.

Removing the Truman bike lanes would set a dangerous precedent and be a setback for planning efforts at large in the city.

Keep our city moving in the right direct and our road users safe.

Regards,
Rachel Krause
