Hello,

I support bike-friendly infrastructure improvements, specifically the new bike lanes on Gillham.

I oppose the proposed ordinance. https://clerk.kcmo.gov/LegislationDetail.aspx?ID=5190964&GUID=765AC8BE-F93B-4F07-B994-5750AAD3C13F&Options=&Search=

Please consider updating the complete streets policy and adopting the master bike plan and its community engagement elements.

Best,
