Date:	Thursday, December 9, 2021 7:02:36 PM

I am writing today in strong opposition of this new ordinance. Less than 5 years ago Kansas City was one of the most dangerous cities in the country for cyclists. Recently we've made solid strides on addressing this crisis and installing infrastructure. The idea that we would undo the little progress that has been made under the nonsensical guise of "local control" is absurd. This ordinance is terrible for Kansas City and would mark a significant step backward. Please vote no. Thank you
