Dear Councilmembers,

I'd like to voice my opposition to the proposed ordinance #210966. Kansas City has made so much progress in recent years upgrading accessibility & safety of bicycle & pedestrian infrastructure it would be a travesty to stop this progress now. Indeed, the forward thinking KCMO has demonstrated in recent years regarding these types of projects & enhancing the viability of active transportation are the reason I relocated from the Johnson County, KS suburbs to Kansas City in 2018. Please don't pass this ordinance.

Respectfully,
Mark Scrivner
