Dear City Council City Council,

I am asking you to oppose Ordinance 230092. The Truman Road protected bike lanes deserve to be preserved and completed.

Those opposing the mobility lanes aren't even allowing for the project to be completed before passing judgment. There's always going to be naysayers to any progress. Don't buckle to these people who fear change for the sake of fearing change.

We need these mobility lanes for a great number of reasons.

Regards,
