Hello Cici,

Thank you for reaching out and for notifying us. We would absolutely love to have you all involved and would love to have your recommendations on this Commision as well. I personally am well aware of the work you and Moon Brown do in the community, especially the Black Queer and Trans community, and I want to thank you for that. We need your input, we need you at the table, and we want you here and we will look forward to working with Black Pockets LLC and Zeke's Freedom Foundation here in the near future.

Moon Brown and myself have founded Zeke's Freedom Foundation, under Black Pockets LLC. We center Black Joy and healing, along with political education around uplighting and liberating Black Queer & Trans folx specifically. We would love to join the commission if at all possible? Please feel free to reach out to me here, and check out our webpage for more information.
