Subject:	KEEP MASK MANDATE IN KANSAS CITY
Date:	Wednesday, August 18, 2021 6:57:40 PM

Please keep us safer from Covid and require people to wear masks and continue this mandate at least another thirty days. It is a very simple thing for people to do to help all of us stay safe.

Do not let these loud protesters lead us astray. They do not have the right to spread this disease by not wearing masks and not getting vaccinated and causing our healthcare workers and hospitals to be overrun. They are ruining our economy with their irresponsible behavior.

Thank you,
Debra Brockhouse-Hild
