

A person wearing a red hoodie and black leggings stands on a paved path, viewed from behind with their hands behind their head. The path is lined with trees and leads towards a bright sun in the distance, creating a warm, golden glow. The text "Neighborhood Inclusion" is overlaid in white serif font.

# Neighborhood Inclusion

"Alone we can do so little; together we can do so much." -Helen Keller

# 210966

- Intentional Neighborhood Inclusion
- Improving Quality of Life
- Focused Infrastructure Priorities
- Data Informed Decision Making

# WHY THIRD DISTRICT?

- Quality of Life Disparities
- Reliance on Public Transit
- Pedestrian Fatality Inequity
- Neighborhood Empowerment and Civic Engagement

# POLICY

- Prescribed neighborhood and collaboration period
- Prevents current plan implementation until neighborhood priorities, education and inclusion is complete
- Improves walkability to address fatalities

## RECCOMENDATIONS NEXT STEPS
