We have enough going on in Kansas City, MO and surrounding areas with folks that want or need a place to live. We have folk wanting or needing GAINFUL employment that will afford them the right to live life. To afford to pay 3 times the rent apartments are asking for, to afford \$1200 for a 1 bedroom apartment --- which is arguable. Kansas City, MO constituents and tax payers do not want ANY illegal immigrants; NO immigrants that did not go through the proper border channels and got processed; NOT even under the guise of "Refugee and Asylum Seekers" that conveniently got 1 Million dollars of our budget (Taxpayers).

Respectfully,
