

Kansas City Streetcar Authority

April 16, 2026

Mayor Quinton Lucas and City Council
414 E. 12th St
Kansas City, Missouri 64106

RE: Downtown Baseball

Dear Mayor Lucas and Council Members,

On behalf of the Kansas City Streetcar Authority (KCSA) Board of Directors, we are voicing our strong support for your current ordinance and related efforts to once again realize the dream of downtown baseball in the heart of downtown Kansas City, Missouri.

We congratulate you on your bold actions and the KC Streetcar team looks forward to working with you, your staff, our downtown partners, and the Kansas City Royals to bring another generational investment to our expanded streetcar line. While we will have extensive work to prepare the streetcar system to support and connect to this new regional destination, we are excited about the opportunity ahead. At the conclusion of these efforts, our City will be more transit-connected, walkable, and vibrant than ever before, with the streetcar system serving as the spine of gameday accessibility for decades to come.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tom Gerend", is placed over a light blue rectangular background.

Tom Gerend
Executive Director
KC Streetcar Authority
