**FOURTH AMENDMENT
TO THE
UNION HILL
TAX INCREMENT FINANCING PLAN**

I. Introduction

The Fourth Amendment (hereinafter the “Fourth Amendment”) to the Union Hill Tax Increment Financing Plan (hereinafter the “Plan”) shall amend the Plan, as approved by the City Council of Kansas City, Missouri by Ordinance No. 971698 (referred to herein as the “Plan”), and amended by Ordinance No. 081070 (referred to herein as the “First Amendment”), Ordinance No. 100772 (referred to herein as the “Second Amendment”), and Ordinance No. 1302393 (referred to herein as the “Third Amendment”).

The Fourth Amendment provides for (1) certain modifications to the description of the Redevelopment Area, (2) certain modifications to the Site Maps, (3) certain modifications to the description of Public Improvements, (4) certain modifications to the Redevelopment Schedule, (5) certain modifications to the Estimated Redevelopment Project Costs, (6) certain modifications to the Sources of Funds, (7) all PILOTs to be declared surplus and distributed to the impacted Taxing Districts located within the Redevelopment Area in accordance with the Act at such time as the Special Allocation Fund has accumulated, from the inception of the Plan, an aggregate amount of revenue equal to \$9,657,084 for the reimbursement of Reimbursable Project Costs and (8) the inclusion of all conforming changes within the Exhibits to the Plan that are in furtherance of the foregoing modifications.

I. Specific Plan Text Amendments

The Plan shall be amended as follows:

Amendment No. 1: Delete certain definitions of certain terms set forth in Section I of the Plan, entitled, “DEFINITIONS”, and replace them with the following:

- C. “Conservation Area” any improved area within the boundaries of a redevelopment area located within the territorial limits of a municipality in which fifty percent or more of the structures in the area have an age of thirty-five years or more. Such an area is not yet a blighted area but is detrimental to the public health, safety, or welfare and may become a blighted area because of any one or more of the following factors: dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of community planning. A conservation area shall meet at

least three of the factors provided in this subdivision for projects approved on or after December 23, 1997.

- D. “Economic Activity Taxes” or “EATs,” fifty percent (50%) of the total additional revenue from taxes which are imposed by the City and other Taxing Districts, and which are generated by economic activities within each Redevelopment Project Area, over the amount of such taxes generated by economic activities within such Ordinance designating such Redevelopment Project Area in the calendar year prior to the adoption of the Redevelopment Project by Ordinance, while Tax Increment Financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 RSMo., taxes levied for the purpose of public transportation pursuant to Section 94.660 RSMo., taxes imposed on sales pursuant to subsection 2 of section 67.1712 for the purpose of operating and maintaining a metropolitan park and recreation district, licenses, fees or special assessments other than Payments In Lieu of taxes and penalties and interest thereon, any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, taxes imposed on sales under and pursuant to section 67.700 or 650.399 for the purpose of emergency communication systems and such other taxes that may be excluded by State law from time to time, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund; provided, however, if the voters in a Taxing District vote to approve an increase in such Taxing District’s sales tax or use tax, other than the renewal of an expiring sales or use tax, any additional revenues generated within an existing Redevelopment Project Area that are directly attributable to the newly voter-approved incremental increase in such taxing district’s levy rate shall not be considered “Economic Activity Taxes”, without the consent of such Taxing District. If a retail establishment relocates within one (1) year from one facility to another facility within the same county and the governing body of the municipality finds that the relocation is a direct beneficiary of tax increment financing, then for purposes of this definition the economic activity taxes generated by the retail establishment shall equal the total additional revenues from economic activity taxes which are imposed by a municipality or other taxing district over the amount of economic activity taxes generated by the retail establishment in the calendar year prior to its relocation to such redevelopment project area.
- G. “Payment in Lieu of Taxes,” those estimated revenues from real property taxes generated within the Redevelopment Project Area which are to be used to reimburse the Redevelopment Project Costs identified by the Plan, which Taxing Districts would have received had the City not adopted tax increment allocation financing, and which result from levies made after the time of the adoption of tax increment

allocation financing within the Redevelopment Project Area that is approved by Ordinance (but excluding the blind pension fund tax levied under the authority of Article III, Section 38(b) of the Missouri Constitution and the merchant's and manufacturer's inventory replacement tax levied under the authority of subsection 2 of Section 6 of the Missouri Constitution) and during the time the current equalized value of real property in the Redevelopment Project Area exceeds the Total Initial Equalized Assessed Value of real property in the Redevelopment Project Area, until the designation is terminated pursuant to the Act, provided however, if the voters in a Taxing District vote to approve an increase in such Taxing District's levy rate for ad valorem tax on real property, any additional revenues generated within the Redevelopment Project Area that are directly attributable to the newly voter-approved incremental increase in such Taxing District's levy rate shall not be considered Payments in Lieu of Taxes without the consent of such Taxing District. Revenues will be considered directly attributable to the newly voter-approved incremental increase to the extent that they are generated from the difference between the taxing district's actual levy rate currently imposed and the maximum voter-approved levy rate at the time that the Redevelopment Project was adopted.

- H. "Redevelopment Agreement," the agreement between the Commission and Redeveloper for the implementation of the Redevelopment Plan or the Project Improvements and Public Improvements or a portion thereof.
- J. "Redevelopment Area," an area designated by Ordinance of the City, in respect to which the City has made a finding that there exist conditions which cause the area to be classified as a conservation area and which area includes only those parcels of real property directly and substantially benefitted by the proposed Redevelopment Projects and which is legally described on **Exhibit 1A** and depicted on **Exhibit 2A**.

Amendment No. 2: Insert the following definitions in Section I of the Plan, entitled, "**DEFINITIONS**":

- T. "Public Improvements," the construction or reconstruction of public infrastructure improvements, including, but not limited to streetscape improvements, sidewalks, and any other required or desired infrastructure, that support and enhance the Project Improvements, as described by **Section III.F**.
- U. "Redeveloper," Union Hill Development Company, the City of Kansas City, Missouri, or such other business organization or other entity designated by the Commission, pursuant to a resolution, and to which the Commission enters a Redevelopment Agreement to implement the Redevelopment Plan or the Project Improvements and Public Improvements or a portion thereof.
- V. "Reimbursable Project Costs," Redevelopment Project Costs in an amount not to exceed \$10,970,576, as identified on **Exhibit 6**.

Amendment No. 3: Delete **Section III.A** of the Plan, entitled, “The Plan”, and replace it with the following:

A. TIF Plan. The Redevelopment Plan proposes to create a strong, stable, urban neighborhood by undertaking a comprehensive approach to residential and commercial redevelopment. The Plan provides for the redevelopment of portions of the Redevelopment Area, including construction of a 106 room motel on the southeast corner of East 30th and Main Streets, acquisition and removal of spot-zoned, dilapidated and obsolete apartment buildings and making available those sites for construction of single family detached homes, rehabilitation of existing single family homes, construction of market rate and affordable multi-family communities, creation of a Neighborhood Infrastructure Improvement Fund to make available loans and/or grants for existing owner-occupied homes and commercial property owners, together with all necessary utilities and street improvements, the construction or reconstruction of public infrastructure improvements, including, but not limited to streetscape improvements, sidewalks, and any other required or desired infrastructure, that support and enhance the Project Improvements

Amendment No.4: Delete **Section III.B** of the Plan, entitled, “Redevelopment Area”, and replace it with the following:

B. Redevelopment Area. The Redevelopment Area includes an irregularly shaped area generally bound by Union Cemetery on the north, Main Street on the west, E. 31st Street on the south and Forest Street on the east (the "Redevelopment Area") in Kansas City, Jackson County, Missouri (the "City") as described in Exhibit IA.

Amendment No. 5: Delete Section III.E of the Plan, entitled, “Estimated Date of Completion”, and replace it with the following:

E. Estimated Date of Completion. As set forth in the Redevelopment Schedule attached as **Exhibit 5**, construction of all the Project Improvements are expected to be completed by the year 2013 and construction of the Public Improvements are estimated to be completed by December 2026. The completion of all redevelopment projects and retirement of Obligations incurred to finance Redevelopment Project Costs will occur no later than twenty-three (23) years from the adoption of each ordinance approving a Redevelopment Project, provided that no ordinance approving a Redevelopment Project shall be adopted later than ten (10) years from the adoption of the ordinance approving this Redevelopment Plan.

Amendment No. 6: Amend **Section III** of the Plan by incorporating a new **Section III.F**, entitled, “Public Improvements”, as follows:

F. Public Improvements. The Public Improvements shall consist of the construction or reconstruction of public infrastructure improvements, including, but not limited to streetscape improvements, sidewalks, and any other required or desired infrastructure, that support and enhance the Project Improvements.

Amendment No. 7: Delete the first sentence of the first paragraph of **Section IV.A.**, entitled, “Estimated Redevelopment Project Costs” and replace it with the following:

Redevelopment Project Costs are estimated to be \$98,789,244 of which \$10,970,567 shall constitute Reimbursable Project Costs, as set forth on **Exhibit 6**, attached hereto.

Amendment No. 8: Delete the second paragraph of **Section IV.A.**, entitled, “Payments in Lieu of Taxes” and replace it with the following:

Ninety percent (90%) of the PILOTS generated and collected will be used to pay eligible Reimbursable Project Costs and the remaining ten percent (10%) shall be declared surplus by the City Council of the City and thereafter distributed to the impacted Taxing Districts located within the Redevelopment Area; provided, however, at such time as Special Allocation has accumulated revenue equal to \$9,657,084 for the reimbursement of Reimbursable Project Costs, all PILOTS generated and collected thereafter shall be declared surplus by the City Council of the City and distributed to the impacted Taxing Districts located within the Redevelopment Area in accordance with the Act.

Amendment No. 9: Delete **Exhibit 1A**, entitled “Legal Description of the Redevelopment Area”, and replace with **Exhibit 1A**, entitled, “Legal Description of the Redevelopment Area” attached hereto.

Amendment No. 10: Delete **Exhibit 2**, entitled “Site Plan”, and replace with **Exhibit 2**, entitled “Site Plan,” attached hereto.

Amendment No. 11: Incorporate **Exhibit 4C**, attached hereto and entitled “Construction Totals for Streetscape Improvements”.

Amendment No. 12: Delete **Exhibit 5**, entitled “Redevelopment Schedule”, and replace with **Exhibit 5**, entitled “Redevelopment Schedule,” attached hereto.

Amendment No. 13: Delete **Exhibit 6**, entitled “Estimated Redevelopment Project Costs”, and replace with **Exhibit 6**, entitled “Estimated Redevelopment Project Costs,” attached hereto.

Amendment No. 14: Delete **Exhibit 7**, entitled “Sources of Funds”, and replace with **Exhibit 7**, entitled “Sources of Funds,” attached hereto.

Amendment No. 15: Incorporate **Exhibit 9A**, attached hereto and entitled “Evidence of “But For” – Streetscape Improvements”.

Amendment No. 16: Incorporate Exhibit **12A**, attached hereto and entitled “Supplement to Conservation Study”.

CITY MANAGER’S AFFIDAVIT

STATE OF MISSOURI)
) ss.
COUNTY OF JACKSON)

1. I, Brian Platt, am the City Manager of the City of Kansas City, Missouri, a constitutional charter city and political subdivision duly organized and validly existing under the laws of the State of Missouri (the “City) and I am authorized to provide this affidavit on behalf of the City, in connection with the Fourth Amendment to the Union Hill Tax Increment Financing Plan (the “Fourth Amendment”) and pursuant to Section 99.810(1) RSMo., which requires an affidavit attesting, in connection with the Fourth Amendment, that the Redevelopment Area as amended by the Fourth Amendment, remains a “Conservation Area” that has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing.

2. The Fourth Amendment expands the Redevelopment Area by including 31st Street between Main Street and Campbell (the “Expanded Area”). Upon my direction, the Public Works Department has confirmed that 50% or more of the public improvements in the Expanded Area have an age of thirty-five years or more.

3. Based upon this information and the Conservation Study approved in the original Union Hill Tax Increment Financing Plan as supplemented in the 4th Amendment (the “Conservation Study”), I hereby affirm the Redevelopment Area is a “Conservation Area” as defined by Section 99.805.(3), RSMo., because fifty percent or more of the structures in the area have an age of thirty-five years or more and such area is not yet a blighted area, but is detrimental to the public health, safety, or welfare and may become a blighted area because of the following factors: obsolescence; deterioration and the presence of structures below minimum code standards (collectively, the “Blighting Conditions”).

3. To my knowledge, since the Union Hill Tax Increment Financing Plan was approved by the City, no private party has committed or indicated to my office a willingness to make a private investment to undertake the public improvements contemplated by the Fourth Amendment that would assist in ameliorating the Blighting Conditions identified by the Conservation Study.

3. My office is charged with the responsibility of submitting an Annual Budget to the Mayor of the City (the “Mayor”), which shall include, at a minimum, the following:

a. Revenues: An itemized statement of estimated revenues to be realized in cash from all sources for the year which the budget is to cover, together with a comparative statement of estimated cash receipts for the current fiscal year and actual cash receipts for the two fiscal years next preceding the current fiscal year.

b. Appropriation: An itemized statement of appropriations, which is based, in part, on requests for appropriation from the head of each department under the City Manager, for the ensuing year, with a comparative statement of estimated expenditures for the current fiscal year and actual expenditures for the two fiscal years next preceding the current fiscal year.

c. Additional information: Such other information as may be required by the Mayor and the City Council of the City (the “Council”).

7. The Mayor shall transmit to the City Council the Annual Budget prepared by the City Manager, with any comments from the Mayor.

8. Upon receipt of the Annual Budget, the Council shall review the Annual Budget to determine the need for the expenditures requested and the adequacy, reliability and propriety of estimated revenues.

9. The Council shall, by ordinance, adopt the Annual Budget, which shall itemize the purposes of expenditure by departments, activities, functions, and character classes in not less detail than personal services, contractual services, commodities and capital outlays, and as adopted shall constitute an appropriation for the purposes stated of the sums therein set forth as appropriation and authorization of the amount to be raised by taxation for the purposes of the City, provided that the total amount appropriated shall not in any event exceed the total revenues estimated to be realized in cash during such year, plus any unencumbered balance from previous years.

10. The Council has not adopted an Annual Budget which contemplates, and no department director of the City has requested or indicated any intent to request an appropriation for the sufficient financing of the public improvements, as described in and contemplated by the Fourth Amendment, that would ameliorate the Blighting Conditions identified by the Conservation Study.

11. The undersigned acknowledges and agrees that this Affidavit is being materially relied upon by the Tax Increment Financing Commission of Kansas City, Missouri (the “Commission”) and the City Council of the City, in connection with its consideration of the Fourth Amendment. This affidavit is being provided to assist the Commission and City in making a finding that the Redevelopment Area described by the Plan, as amended by the Fourth Amendment, on the whole, is a “Conservation Area”, has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing.

The information, statements and averments in this affidavit are, to the best of my knowledge and belief, true, accurate and complete in all material respects.

Supplement to Conservation Study

Supplement to Exhibit 12 Conservation Study

The City Council found the Union Hill Redevelopment Area (“Redevelopment Area”) to be a conservation area in the original Union Hill Tax Increment Financing Plan in 1997 and previously found the area to be blighted in 1980 under the Union Hill 353 Redevelopment Plan.

Section 99.805.3, RSMo, defines a conservation area as:

any improved area within the boundaries of a redevelopment area located within the territorial limits of a municipality in which fifty percent or more of the structures in the area have an age of thirty-five years or more. Such an area is not yet a blighted area but is detrimental to the public health, safety, or welfare and may become a blighted area because of any one or more of the following factors: dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of community planning. A conservation area shall meet at least three of the factors provided in this subdivision for projects approved on or after December 23, 1997. For all redevelopment plans and projects approved on or after January 1, 2022, in retail areas, a conservation area shall meet the dilapidation factor as one of the three factors required under this subdivision;

The Fourth Amendment to the Union Hill Tax Increment Financing Plan expands the Redevelopment Area to include property necessary for the construction of public improvements to the existing 31st Street from Forest Avenue to Main Street. There are no structures within the expanded area, only public infrastructure improvements, such as curbs, sidewalks, pavement, streetlighting, and traffic control devices. Therefore, the addition of new area for public improvements, as provided by the Fourth Amendment, does not impact the City Council’s previous finding that (1) fifty percent of the structures in the area have an age of thirty-five years or more and (2) the Redevelopment Area, on the whole, is detrimental to the public health, safety, or welfare and may become a blighted area because of obsolescence; deterioration and the presence of structures below minimum code standards.

Furthermore, even if the public infrastructure included in the redevelopment area is deemed to be a “structure” within the meaning of Section 99.805.3, at least 50% of the infrastructure was constructed 35 years ago or more.
