PETITION TO ESTABLISH THE BLUE RIDGE CROSSING COMMUNITY IMPROVEMENT DISTRICT

This petition ("Petition") is submitted in accordance with Section 67.1401, RSMo, through Section 67.1571, RSMo, as amended, otherwise known as the Missouri Community Improvement District Act ("Act"), by those persons and entities whose signatures appear below ("Petitioners"). The Petitioners request that the City Council ("City Council") of the City of Kansas City, Missouri, establish a community improvement district ("District") in the City of Kansas City, Jackson County, Missouri ("City") in accordance with this Petition.

I. PETITIONERS

The Petitioners represent more than fifty percent (50%) per capita of all owners of the District Land and District Land owners collectively owning more than fifty percent (50%) by assessed value of the District Land.

II. DESCRIPTION OF THE DISTRICT

A. Legal Description

The District includes all of the real property ("District Land") legally described in Exhibit A ("District Legal Description") attached to this Petition.

B. Boundary Map

A map illustrating the general boundaries of the District is attached to this Petition as Exhibit B ("District Boundary Map").

C. Name of District

The name of the District shall be the Blue Ridge Crossing Community Improvement District.

D. Notice to Petitioners

The signatures of Petitioners signing this Petition may not be withdrawn later than seven days after this Petition is filed with the City Clerk.

III. FIVE YEAR PLAN

A. Purposes of the District

The District shall serve the following purposes ("District Purposes"):

- (a) facilitating development within the District by providing, or causing to be provided, certain improvements and services (collectively, "Eligible Services") described in Paragraph B of this Article for the benefit of the District;

- (b) financing allowed under the Act to finance: (1) the costs of the Eligible Services, (2) other costs incurred by the District to carry out the District Purposes, and (3) costs of financing, including but not limited to: (a) costs of issuance, (b) capitalized interest, and (c) debt service reserves;
- (c) imposing and collecting a sales tax authorized pursuant to this Petition and the Act.

B. Improvements and Services

The Eligible Services shall include, but are not necessarily limited to, the following:

1. Capital Improvements and Maintenance

The District may construct, reconstruct, install, repair, maintain, and equip (or cause such services to be undertaken) capital improvements within the District including, but not limited to: streetscape, energy efficient LED lighting for parking lot and exterior building security, public benches or other seating furniture, trash receptacles, marquees, awnings, canopies, walls, barriers, public parking lots and facilities, public art, and any other useful, necessary or desired improvement authorized under the Act.

2. Administration and Operations

The District may provide and/or contract for managerial, engineering, legal, technical, clerical, accounting, financial consulting, and other assistance deemed necessary or desirable by the District to meet the District Purposes, including, but not necessarily limited to, the following:

- (a) financing the costs of creating and operating the District;
- (b) managing the District's budget and personnel, including providing such accountings, reports and communications as are required by the Act and the Cooperative Agreement;
- (c) maintaining insurance for the District;
- (d) contracting for legal counsel on matters pertaining to the District;
- (e) imposing and collecting a sales tax as authorized pursuant to this Petition and the Act; and

- (a) providing litter removal and cleaning of common areas, trash containers, alley ways, streets, and sidewalks within the District;
- (b) providing for the provision of security personnel, equipment, or facilities for the protection of property and persons;
- (c) providing landscaping care, maintenance, weed abatement, and providing and/or replacing landscaping;
- (d) providing cleaning, maintenance, and other services to public and private property;
- (e) providing graffiti removal; and
- (f) providing other beautification efforts designed to improve the District's appeal and encourage private investment within the District.

4. Additional Improvements and Services

District shall be authorized to provide for any additional improvements and services allowed by law.

C. Estimate of Revenues and Costs of Improvements and Services

The commencement of the Eligible Services and the levy and collection of the Sales Tax are anticipated to occur within the first year of the District's existence. For the first five years of the District's existence, the Five-Year Plan's estimate of revenues from the collection of the Sales Tax, and estimated costs related to the provision of the Eligible Services are shown on Exhibit D attached to this Petition. It is estimated that approximately 95% of the District's revenue as set forth in the Five-Year Plan will fund the District's improvements and services intended for the benefit of the public, including parking lot security services, parking lot landscaping maintenance, parking lot utilities, parking lot maintenance services (snow removal, trash removal, signage, and sweeping), and drive lane and sidewalk repairs. Over the 20-year term of the District, it is estimated that the District will generate \$12.452 million in Sales Tax revenue and incur \$12.057 million in costs for eligible improvements and services.

IV. GOVERNANCE OF THE DISTRICT

A. Type of District

The District shall be a separate political subdivision and shall have all of the powers granted to and/or exercisable by a community improvement district according to the Act, except as limited by this Petition. The District shall comply with all applicable state statutory requirements of a political subdivision, including, but not limited to: (1) State of Missouri open meeting and records law; (2) procurement and public improvement contracting laws, including prevailing wage requirements; and (3) annual unaudited financial statements.
