

# City of Kansas City, Missouri

## Docket Memo

Ordinance/Resolution #: 260350

Submitted Department/Preparer: Health

Revised 12/03/25

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

### Executive Summary

Accepting and approving a \$101,574.00 contract with the Missouri Department of Health and Senior Services to conduct child care sanitation inspections in Kansas City, Missouri; estimating and appropriating \$101,574.00 in the Health Grants Fund, designating requisitioning authority; and recognizing this ordinance as having an accelerated effective date.

### Discussion

The Missouri Department of Health and Senior Services regulates and permits approximately 450 facilities in the City of Kansas City to care for children during daytime and nighttime operations. The State contracts with the Health Department to conduct inspections of these permitted facilities to assure that the children are cared for in a safe and healthful environment.

Inspections focus on disease prevention; safe food handling; safe storage of toxic agents, cleaners and medicines; pest control; safe water supplies; basic evaluation and control of lead hazards and other environmental hazards in all regulated child care facilities.

### Fiscal Impact
