Executive Summary

Rezoning an area of about .3 acres generally located at 4450 Washington St from District R-1.5 (Residential) to District R-0.75 (Residential) to accommodate the development of a multi-unit apartment complex.

Discussion

The ordinance will approve a rezoning from R-1.5 to R-0.75. While no development plan is required for this rezoning, the applicant plans to develop a 20-unit apartment complex.

The existing zoning permits the development of up to 11 units. The rezoning to R-0.75 would permit up to 23 units. The residential infill standards will apply to development of this property.

Staff recommended approval of the rezoning. There was significant public testimony regarding this case. After hearing all testimony, the City Plan Commission recommended approval of the rezoning, 5 in favor and 1 opposed.
