
**PETITION FOR ESTABLISHMENT OF THE
1108-1110 GRAND COMMUNITY IMPROVEMENT DISTRICT
KANSAS CITY, JACKSON COUNTY, MISSOURI
FOURTH COUNCIL DISTRICT**

MAY 15, 2023

**PETITION FOR THE CREATION OF THE
1108-1110 GRAND COMMUNITY IMPROVEMENT DISTRICT**

To the Mayor and City Council of the City of Kansas City, Missouri:

The undersigned real property owner (the "Petitioner"), being the owner of all of the real property, and therefore

- (1) owning more than fifty percent by assessed value of the real property, and
- (2) constituting more than fifty percent per capita of all owners of real property

within the boundaries of the hereinafter described community improvement district, do hereby petition and request that the City Council (the "City Council") of the City of Kansas City, Missouri (the "City") establish a community improvement district as described herein under the authority of Sections 67.1401 to 67.1571, RSMo, as amended (the "CID Act") and Article VII of Chapter 74 of the City's Code of Ordinances, as amended from time to time (the "City CID Ordinance"). In support of this petition, the Petitioner sets forth the following in compliance with the CID Act and the City CID Ordinance:

1. District Name. The name for the proposed community improvement district ("CID" or "District") is: 1108-1110 Grand Community Improvement District.
2. Legal Description and Boundary Map. A legal description and map generally depicting the boundaries of the proposed District are attached hereto as Exhibit A and Exhibit B, respectively. The proposed District is located entirely within the City of Kansas City, Jackson County, Missouri.
3. Five-Year Plan. A five-year plan as required by the CID Act is attached hereto as Exhibit C.
4. Form of District. The proposed District will be established as a political subdivision of the State of Missouri under the CID Act.
5. Board of Directors.
 - a. Number. The District shall be governed by a Board of Directors (the "Board") consisting of five (5) members, whom shall be appointed by the City in accordance with this Petition, the CID Act and the City CID Ordinance.
 - b. Qualifications. Each member of the Board ("Director") shall meet the following requirements:
 - (1) be at least 18 years of age;
 - (2) be either an owner (as defined in the CID Act) of real property or of a business operating within the District, or a registered voter residing within the District;
 - (3) be and have been a resident of the State of Missouri for at least one year immediately preceding the date upon which he or she takes office in accordance with Article VII, Section 8 of the Missouri Constitution; and
 - (4) except for the initial directors named in this Petition, be nominated according to slates submitted as described in this Petition.

c. Independent Director. There are no registered voters in the District on the date the petition is filed. Accordingly, as required by 67.1451.2(3), RSMo, as amended, at least one Director shall, during his or her entire term, be a person who:

- (1) Resides within Kansas City, Missouri;
- (2) Is qualified and registered to vote under Chapter 115, RSMo according to the records of the applicable election authority as of the thirtieth day prior to the date of the applicable election;
- (3) Has no financial interest in any real property or business operating within the District; and
- (4) Is not a relative within the second degree of consanguinity or affinity to an owner of real property or a business operating within the District;

d. Initial Directors. The initial directors ("Initial Directors") and their respective terms shall be as follows:

- (1) Jay Simon (Owner Representative) - four (4) year term.
- (2) Maria Pressley (Owner Representative) - four (4) year term.
- (3) Thomas Sitek (Owner Representative) - two (2) year term.
- (4) Jeffrey Clark (Owner Representative) - two (2) year term.
- (5) Cheryl Naylor (Owner Representative/Independent Director) - two (2) year term.

e. Terms. Each Initial Director named above shall serve for the term set forth opposite his/her name or until his/her successor is appointed in accordance with this Petition and the CID Act. Each Successor Director shall serve a four (4) year term or until his/her successor is appointed in accordance with this Petition and the CID Act. In the event of a vacancy on the Board, the remaining Directors shall elect an Interim Director to fill such vacancy for the remainder of the unexpired term and until his/her successor is appointed in accordance with this Petition and the CID Act.

Notwithstanding anything to the contrary, upon any Director's failure to meet the qualification requirements set forth above, either in a Director's individual capacity or in a Director's representative capacity, such Director shall cease to be a Director automatically and without need for action by the remainder of the Board, effective upon the date such person ceased to so qualify. In addition, a Director may be removed for cause by a two-thirds affirmative vote of the Directors as provided by the CID Act.

f. Successor Directors. Successor Directors shall be appointed by the Mayor with the consent of the City Council by resolution according to slates submitted to the City Clerk of the City (the "City Clerk") by the District Manager, as provided below in this Paragraph:

- (a) the Mayor shall appoint the Successor Directors according to the slates submitted, and the City Council shall consent by resolution to the appointment; or
- (b) the Mayor, or the City Council, may reject the slates submitted and request in writing, with written reasons for rejection of the slate, that the District Manager submit an alternate slate.

If an alternate slate is requested, the District Manager shall submit an alternate slate to the City Clerk. The City Clerk shall deliver the alternate slate to the Mayor and the City Council. Thereafter:

- (a) the Mayor shall appoint the Successor Directors according to the alternate slate submitted, and the City Council shall consent by resolution to the appointment; or
- (b) the Mayor, or the City Council, may reject the alternate slate submitted and request in writing, with written reasons for rejection of the alternate slate, that the District Manager submit another alternate slate.

The procedure described above shall continue until the Successor Directors are appointed or deemed to be appointed by the Mayor with the consent of the City Council.

6. Assessed Value. The total assessed value of all real property in the District is \$329,280.
7. Blight Determination. Petitioners are seeking a determination that the property within the District that is described on Exhibit A is a blighted area within the meaning of the CID Act. Additional information to support a finding of blight as required by the CID Act and/or the City CID Ordinance is attached hereto as Exhibits D-1 to D-5. In order to permit the District to expend its revenues or loan its revenues pursuant to a contract entered into in accordance with Section 67.1461.2(2), RSMo, the Petitioners further request the City Council determine that the use of District revenues as described herein and pursuant to contracts to finance the demolition, removal, renovation, reconstruction or rehabilitation of buildings and structures within the District and related improvements and structures is reasonably anticipated to remediate the blighting conditions within the District and will serve a public purpose.
8. Duration of District. The District will continue to exist for a term of twenty (20) years following the effective date of the Ordinance establishing the District, unless the City extends the term of the District as provided by 67.1481, RSMo. The District may be terminated prior to the expiration of its full term in accordance with the provisions of the CID Act, the City CID Ordinance and other applicable law.
9. Estimated Public Benefit from District Revenue. As required by Section 74.302(a)(3) of the City CID Ordinance, the estimated revenue of the District to be used for benefits to the public over twenty (20) years is approximately Three Hundred Ninety Five Thousand Dollars (\$395,000) excluding interest, representing approximately one hundred percent (100%) of the total after anticipated administrative costs. The public benefit to be derived is the rehabilitation of an over 100-year old Downtown Kansas City building listed on the National Register of Historic Places that is within walking distance of numerous downtown attractions and located along highly trafficked and visible Grand Boulevard. The building will be redeveloped as a 35 room mostly-suite hotel with a front floor and street-activating lounge with locally sourced small bites, and will include a restored copper building façade, enhanced exterior lighting and sidewalk improvements for residents and travelers enjoying Downtown Kansas City.
10. Real Property and Business License Taxes. The District is not authorized to impose a real property tax levy or business license taxes within the District.

11. Special Assessments. The District is not authorized to impose special assessments within the District.
12. Sales and Use Tax. Qualified voters of the District may be asked to approve a sales and use tax of up to one percent (1.0%) ("District Sales Tax"), in accordance with the CID Act. The District Sales Tax will be used to pay for costs of the District's Projects as described in the repayment obligations issued to fund capital improvements.
13. Borrowing Limits. There are no limitations on the borrowing capacity of the District.
14. Revenue Limits. There are no limitations on the revenue generation of the District.
15. Authority Limits. Except as set forth in this Petition, Petitioner does not seek limitations on the authority of the District, and the District shall have the full range of powers authorized under the provisions of the CID Act.
16. Right to Terminate District. The property owners shall retain the right to initiate a petition to terminate the District as provided by Section 67.1481, RSMo
17. City Auditor. The City Auditor shall have the right to examine or audit the records of the District and the District shall make such records available to the City Auditor within ten (10) days after a written request for the same is made.
18. Severability. If any provision of this Petition shall be held or determined to be invalid, inoperative or unenforceable as applied in any particular case, or in all cases, because it conflicts with any other provision or provisions of this Petition or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision contained in this Petition invalid, inoperative or unenforceable to any extent whatsoever.
19. **Revocation of Signatures. EACH PETITIONER ACKNOWLEDGES THAT THE SIGNATURE OF THE SIGNER OF THIS PETITION MAY NOT BE WITHDRAWN FROM THIS PETITION LATER THAN SEVEN (7) DAYS AFTER THE FILING HEREOF WITH THE CITY CLERK.**

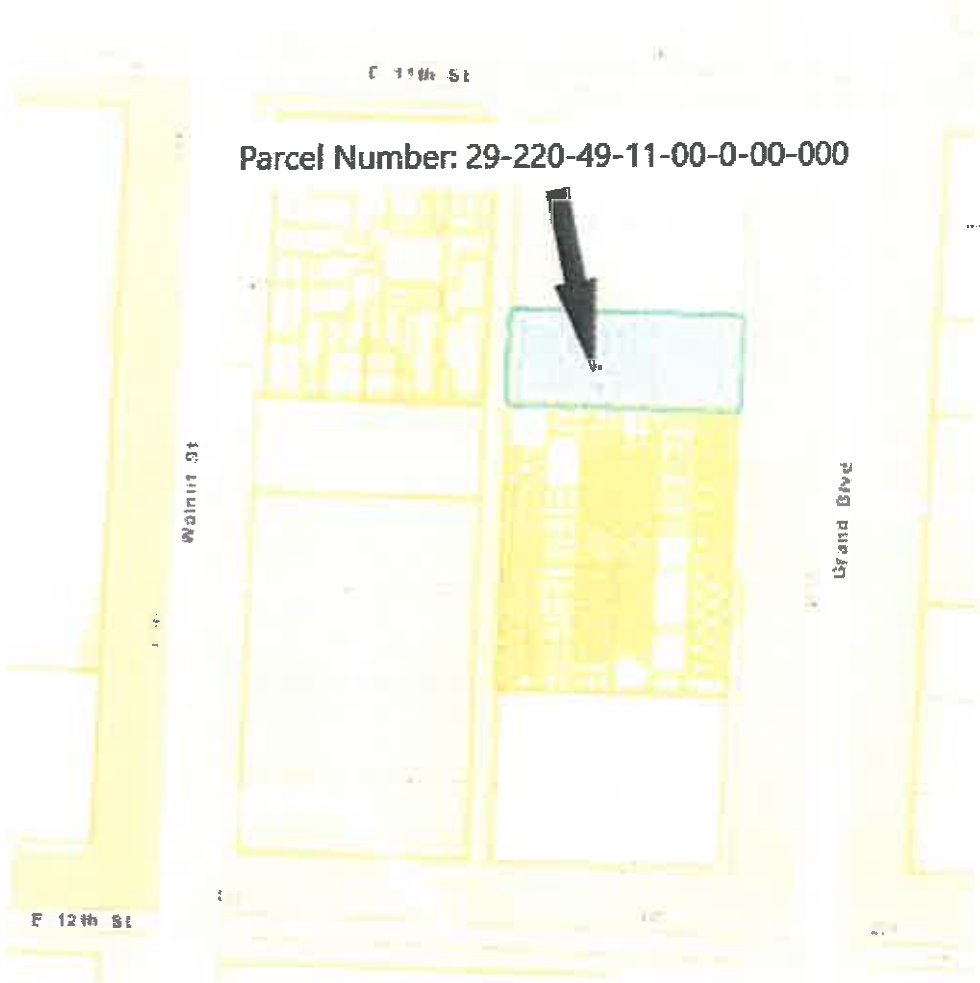

WHEREFORE, Petitioner respectfully requests that the City Council establish the requested 1108-1110 Grand Community Improvement District in accordance with the information set forth in this Petition and that the Mayor appoint and the City Council consent to the proposed members for the Board of Directors as set forth in this Petition, and take all other appropriate and necessary action that is consistent with the CID Act, the City CID Ordinance and other applicable law to establish the requested District.

FIVE YEAR PLAN
(See Attached)**

**FIVE YEAR DISTRICT MANAGEMENT PLAN
OF THE
1108-1110 GRAND COMMUNITY IMPROVEMENT DISTRICT
CITY OF KANSAS CITY, MISSOURI**

The information and details outlined in the following pages represent the strategies, and activities that it is anticipated will be undertaken during the initial five-year duration of the 1108-1110 Grand Community Improvement District in Kansas City, Missouri. It is an integral and composite part of the petition to establish the 1108-1110 Grand Community Improvement District.

Introduction

The 1108-1110 Grand Community Improvement District (the “District”) is created pursuant to Section 67.1401 through 67.1571 of the Revised Statutes of Missouri (the “CID Act”). Section 67.1421, RSMo, requires that the petition for the creation of the District be accompanied by a five-year plan which includes a description of the purposes of the proposed District, the services it will provide, the improvements it will make and an estimate of the costs of these services and improvements to be incurred. This Five-Year District Management Plan (the “Plan”) is intended to satisfy this statutory requirement, and is appended to the Petition for Formation of the District as an integral part thereof. Capitalized terms used but not defined in this Plan have the meaning given to such term in the Petition to which this Plan is appended, except as otherwise stated.

Section 1 - What is a Community Improvement District?

A community improvement district is an entity that is separate from the City of Kansas City and is formed by the adoption of an ordinance by the City Council following a public hearing before the City Council regarding formation of the District. A CID may take the form of a political subdivision of the State of Missouri, or a nonprofit corporation that is formed and operated under Missouri corporation laws. CIDs are empowered to provide a variety of services and to construct and/or finance a number of different public improvements (and in a blighted area, to demolish and remove, renovate, reconstruct, or rehabilitate private improvements subject to certain conditions). CIDs derive their revenue from taxes and assessments levied within the boundaries of the CID. Such revenues are then used to pay the costs of the services or improvements. A CID is operated and managed by a board of directors, whose members may be appointed or elected. Board members serve for a designated period of time, and the Board positions are again elected or appointed at the expiration of each term.

Section 2 - Why Create this Community Improvement District?

The District is located in Downtown Kansas City, in an area that serves as a destination for tourists and business travelers to the Kansas City community. The District will redevelop an over 100-year old building listed on the National Register of Historic Places that is within walking distance of numerous downtown attractions and located along highly trafficked and visible Grand Boulevard. The building will be redeveloped as a 35 room mostly-suite hotel with a front floor and street-activating lounge with locally sourced small bites, and will include a restored copper building façade, enhanced exterior lighting and sidewalk improvements for residents and travelers enjoying Downtown Kansas City.

Section 3 - Management Plan Summary

The District in this case will take the form of a separate political subdivision of the State of Missouri, which will be governed by a Board of Directors that will consist of five (5) members appointed by the Mayor of Kansas City with the consent of the City Council pursuant to slates submitted in accordance with the Petition.

District Formation:

CID formation requires submission of signed petitions from a group of property owners:

- collectively owning more than fifty percent (50%) by assessed value of the real property within the District, and
- representing more than fifty percent (50%) per capita of all owners of real property within the District.

In this case, the Petition to which this Plan is attached has been signed by the requisite parties.

Location:

The District is located in Kansas City, Jackson County, Missouri, and encompasses a parcel improved by a more than 100-year old building, with an address of 1108-1110 Grand Boulevard located between East 11th and East 12th Street on the west side of Grand Boulevard. Please refer to the legal description of the District attached to the Petition as Exhibit A and the map of the District attached to the Petition as Exhibit B.

Method of Financing:

It is proposed that the District will impose a maximum of one percent (1.0%) sales and use tax (the "District Sales Tax"), which is in addition to any other state, county or city sales and use tax. The District Sales Tax is payable on the same retail sales that are subject to taxation pursuant to Sections 144.010 to 144.525, RSMo, except sales of motor vehicles, trailers, boats or outboard motors, and sales to or by public utilities and providers of communications, cable, or video services. All costs of the District shall be financed in the manner and amount determined by the Board of Directors and be repayable from the amounts on deposit with the CID.

Estimated Costs:

Attached as Exhibit A to this Plan is a table setting forth the estimated cost of the improvements and services, and the projected cash flow for the first ten years of the District's existence.

City Services:

The CID Act mandates that existing City services will continue to be provided within a CID at the same level as before the District was created (unless services are decreased throughout the City) and that District services shall be in addition to existing City services. The District anticipates that City services will continue to be provided within the District at the same level as before the District was created, and the District will not cause the level of City services within the District to diminish.

Duration:

The District will continue to exist for a term of twenty (20) years following the effective date of the Ordinance establishing the District, unless the City extends the term of the District as

provided by 67.1481, RSMo. The District may be terminated prior to the expiration of its full term in accordance with the provisions of the CID Act and other applicable law, including Article VII of Chapter 74 of the City's Code of Ordinances, as amended from time to time (the "City CID Ordinance").

Section 4 District Boundaries

The legal description of the District is attached as Exhibit A to the Petition.

Section 5 Facilities and Services to Be Provided

The revenue generated by this District is intended to be used to pay for the rehabilitation and redevelopment of an over 100-year old six-story registered historic building located along Grand Boulevard that had become blighted. The rehabilitation will include the restoration of the building's impressive copper façade, with the restoration work expected to be completed by A. Zahner Company, a Kansas City based internationally-renowned metalworking company whose original artisans crafted the building's façade initially in 1906. The building will be redeveloped into a hotel and provide a lounge with small bites, featuring locally sourced products, a spa, a fitness center, and small conference room facilities, with the purpose being to enhance the safety, beautify, and make the area more appealing and attractive to visitors in the District. District revenue may also be used to pay for District operating costs.

Section 6 Governing the Community Improvement District

City Council:

Following the submission of the Petition, the City Council will conduct a public hearing and then consider an ordinance to create the District.

Board of Directors for District:

The District will be governed by a Board of Directors that will consist of five members appointed by the Mayor of Kansas City with the consent of the City Council. It is anticipated that if the proposed successor directors are identified in writing, the Mayor shall appoint such directors as successor directors, with the consent of the City Council, unless such suggested successor directors do not meet applicable legal requirements or lack the competency to serve as directors.

Annual Budget:

The District's budgets will be proposed and approved annually, within the limitations set forth in this Plan, by the District's Board of Directors. Budgets will be submitted annually to the City Council of the City of Kansas City for review and comment in accordance with the CID Act. The District will operate at all times in accordance with the District Rules and Regulations (Section 7) and the Bylaws of the District.

Section 7
District Rules and Regulations

1. The District shall operate at all times in accordance with Bylaws that may be adopted by the Board of Directors. The District shall at all times conduct its proceedings in accordance with Robert's Rules of Order, except as otherwise provided in any Bylaws.
2. The Board of Directors of the District will meet at least on an annual basis.
