- Award made to Sumner One, Inc
- Evaluation team was representation from General Services, Aviation, Finance and Water Svs
- Five-year contract, no renewals
- Omnia Partners Cooperative Agreement
- Lease, not purchase
- \$1,665,960.00 (plus additional charges)

Citywide Lease of Multi-Functional Copier/Printer/Scanner

Scope/Best Practices

- This citywide printing, scanning, and copier contract is necessary to enhance the overall availability, efficiency, and safe delivery of these services across the organization.
- Improves our cyber security posture by using a modern platform
- MFP deployment should consider total cost of ownership—not just equipment, but maintenance, supplies, service contracts, and usage optimization.
- Standardizing MFP models and configurations simplifies training, support, and troubleshooting
- The current need includes 300+ printers/copiers
