Service Level Impacts

Property tax collections significantly impact the City's ability to provide services. The general levy revenue is used to support basic services provided by the City such as public safety, road repair and emergency response. Revenues generated from the debt levy are used to meet the City's general debt obligations. Revenues generated from the health levy are dedicated to the health fund which supports care for the indigent. Revenues generated from the museum levy are used to support the Kansas City Museum.

Other Impacts

1. What will be the potential health impacts to any affected groups?
Property taxes collected from the health levy are dedicated to the health fund and used to pay expenditures related to healthcare for the indigent and support Health Department programs.
2. How have those groups been engaged and involved in the development of this ordinance?
The City's budget office holds annual budget meeting with the community to gain insight about citizen's priorities. The revenue generated from property taxes will support the City's adopted budget.
3. How does this legislation contribute to a sustainable Kansas City?
The revenue generated from this legislation allows the City to meet its debt obligations as well as provide funding for the basic services provided by the City. This legislation also generates funds to provide healthcare services for the indigent.
