Subject: Vote YES - Ordinance 230613 and Resolution 230618
Date: Saturday, July 29, 2023 8:59:00 AM

Dear Members of the City Council,

Please show your support for the health, life, and safety of your constituents. Very few decisions have positive benefits to both the health of the public and the business community, but reducing the dangers of cars and the economy boosting impact of increased cycling is one of them. Please do your part!

Please vote in support of Ordinance 230613 and Resolution 230618.

Regards,
