Revised 6/10/24

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

Executive Summary

Vacating an approximately 4,500-square-foot area of unimproved White Avenue in Zoning District M1-5 generally located at the south corner of White Avenue and East 32nd Street and directing the City Clerk to record certain documents. (CD-ROW-2024-00020)

Discussion

The street proposed for vacation is currently an unimproved street that terminates in a dead end. The proposed vacation is approximately 4,500 square foot area and, if approved, would bring the dead end into compliance with the zoning and development code (88-560-11-E.). The surrounding area to the west consists of undeveloped lots that are owned by the applicant. The public right-of-way in question contains no public or private utilities. The lack of public or private utilities has simplified the vacation process.

The objective of this vacation request is to facilitate the development of the site to the south and west, which is zoned for industrial uses. The applicant's intention is to fully utilize the property located at 5819 E 32nd Street. A key element of the applicant's intent involves the vacation of White Avenue, among several other proposed street vacations. This proposal is part of a broader initiative that includes multiple vacation requests in the vicinity. This is a companion case with CD-ROW-2024-00015 (Topping Ave), CD-ROW-2024-00019 (Belleaire Ave), and CD-ROW-2024-00021 (E. 34th St). A development plan will be required prior to future development since the site is zoned industrial and larger than 10 acres per Section 88-517-02-D.
