Discussion

The request is to consider approval of a Final Plat in District B1-1/B3-3 on about 4 acres generally located at the southeast corner of Northeast Barry Road and North Brighton Avenue, allowing for the creation of two lots for the purpose of a commercial development. This use was approved via Case No. CD-SUP-2024-00039 approved by the Board of Zoning Adjustment on November 14, 2023 which served as the Preliminary Plat.

The Preliminary Plat proposed to create two lots to develop an auto collision center on the south lot, leaving the northern lot vacant and ready for development with access to water and sewer. The Final Plat proposes to extend sewer from the east side of North Brighton to allow for sewer access to both lots. This Final Plat is in conformance with the Preliminary Plat as well as the lot and building standards of Section 88-120 of the Zoning and Development Code.

There was no public testimony at the City Plan Commission.
