### Executive Summary

Amending the Plaza Bowl Overlay, which was created by Committee Substitute for Ordinance No. 190100 and amended by Ordinance No. 220729, and which establishes use and height regulations for the area generally located on the south and north sides of W. 47th Street (extending northerly to the north side of W. 46th Terrace), between Madison Avenue on the west and Mill Creek Parkway on the east, in order to remove two parcels generally located on the east side of Wyandotte Street and between W. 46th Terrace on the north and W. 47th Street on the south from the overlay district.

### Discussion

Ordinance 260486 amends the Plaza Bowl Overlay by removing two parcels, located on the east side of Wyandotte Street between W 46<sup>th</sup> Terrace and W 47<sup>th</sup> Street, from the overlay. The proposed new Master Planned Development (MPD) for the Country Club Plaza area creates a conflict between the MPD and the Plaza Bowl Overlay for these two parcels, most notably in terms of maximum height and allowed uses.

City Plan Commission considered this amendment in conjunction with the proposed MPD and recommended approval. Staff has recommended a separate ordinance for clarity.
