# Interdepartmental Communication

**DATE:** July 7, 2025

**TO:** Chairperson Lucas and Members of the Transportation, Infrastructure and Operations Committee

**FROM:** Michael Shaw, Director of Public Works

**SUBJECT:** Traffic Regulations Ordinance

Attached is a listing of TRAFFIC REGULATIONS which the Public Works Department initiated nearly 90 days ago. These regulations have undergone a period of test and evaluation and the Department is now preparing an Ordinance Request to make these regulations permanent. This list includes:

| REGULATION | ORIGINATION DATE |
|---|---|
| Nos. 66483 through 66491 | November 5, 2024 |
| Nos. 66492 through 66507 | December 6, 2024 |
| Nos. 66508 through 66520 | January 3, 2025 |
| Nos. 66521 through 66527 | February 6, 2025 |
| Nos. 66528 through 66543 | February 6, 2025 |
| Nos. 66544 through 66571 | March 13, 2025 |

These regulations consist of various removals and installations of traffic control devices and signs. A description of the reasons these changes are recommended accompanies each entry on the listing.

In accordance with the Committee request, we are providing you advance information concerning the Ordinance we propose to introduce. Within the next few days this Ordinance Request will be filed with the City Clerk and appear on the Council Docket.

If you wish additional information or have questions or comments about any of the REGULATIONS which we recommend to become permanent, please contact my staff.

Approved
