## 260047 & 260048: Nurse-Family Partnership (NFP) Program

**Purpose:** Accepting and approving grants from Nurture KC and the Health Forward Foundation to provide continued support for the NFP program.

**Background:**

The Nurse-Family Partnership program provides nurse home visiting services to first-time low-income mothers, prenatally through their child's second birthday.

**Program Goals:**

- Improve pregnancy outcomes
- Improve child health and development
- Improve family economic self-sufficiency

**Funding & Resources:**

- Funds: Nurture KC - \$28,235 & Health Forward Foundation - \$300,000
- FTEs: 5 Public Health Nurses, 1 Public Health Nurse Supervisor, and 1 Senior Administrative Assistant (plus programmatic supplies)

**Program Impacts:**

- 110 families in FY25
- 1,173 home visits completed in FY25
