### Executive Summary

To amend Ordinance No. 230171 which set the levy rates on tangible real and personal property located in the city to generate revenue for the General Fund, Health Fund, Museum Special Revenue Fund and General Debt and Interest Fund in connection with the FY2023-24 Adopted Budget.

### Discussion

Ordinance No. 230171 set the levy rates on tangible real and personal property located in the City with the FY2023-24 adopted budget. The estimated levy rates used for budget formulation were based on prior year assessed values from the four counties in which the City is located.

During the summer each county provides revised certified assessed valuations. These revised values are used to complete the state levy certification process. The purpose of the levy certification process is to ensure that no jurisdiction receives a windfall or experience a shortfall due to changes in assessed valuation in accordance with the Hancock Amendment to the Missouri Constitution. The levy certification forms must be delivered to the County Clerks no later than October 1 each year. The calculated levies for FY23-24 are described below.

The final levy rates will be calculated and provided via a proposed committee substitute for this ordinance. Taxes for fiscal year 2023-24, commencing on first day of May 2023, in the total amount of \$X.XXXX per \$100, shall be levied upon all property within the City subject to taxation on January 1, 2023, under the Constitution and laws of the State of Missouri for both real and tangible property.

A general tax of XX.XX cents on each \$100 for the assessed valuation of all such taxable property is levied and imposed for municipal operating purposes to be credited to the General Fund.

A general tax of XX.XX cents on each \$100 of the assessed valuation of all such taxable property is levied and imposed for municipal operating expenses for hospitals and public health to be credited to the Health fund.

A general tax of XX.XX cents on each \$100 of the assessed valuation of all such taxable property is levied and imposed for purposes of paying debt service on outstanding general obligation bonds of the City.

A general tax of XX.XX cents on each \$100 of the assessed valuation of all such taxable property is levied and imposed for purposes for municipal museum purposes, to be credited to the Museum Special Revenue Fund.

## Prior Legislation

230171

## Service Level Impacts

Property tax collections significantly impact the City's ability to provide services. The general levy revenue is used to support basic services provided by the City such as public safety, road repair and emergency response. Revenues generated from the debt levy are used to meet the City's general debt obligations. Revenues generated from the health levy are dedicated to the health fund which supports care for the indigent. Revenues generated from the museum levy are used to support the Kansas City Museum.

## Other Impacts

1. What will be the potential health impacts to any affected groups?  
Property taxes collected from the health levy are dedicated to the health fund and used to pay expenditures related to healthcare for the indigent and support Health Department programs.
2. How have those groups been engaged and involved in the development of this ordinance?  
The City's budget office holds annual budget meetings with the community to gain insight about citizen's priorities. The revenue generated from property taxes will support the City's adopted

budget. In addition, the Finance, Governance and Public Safety Committee hearing will serve as the public hearing on the setting of property tax rates and provide an opportunity for comment by interested parties.

3. How does this legislation contribute to a sustainable Kansas City?

The revenue generated from this legislation allows the City to meet its debt obligations as well as provide funding for the basic services provided by the City. This legislation also generates funds to provide healthcare services for the indigent.
