Revised 8/3/23

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

Executive Summary

Amending Chapters 60, 61, 63, and 64 of the Code of Ordinances for the purpose of transferring certain permitting functions from the City Planning and Development Department to the Water Services and Public Works Departments, directing the City Manager to begin transition of such services, and take steps to address staffing, financial, and legislative changes, and appropriating an unidentified amount of money from an unidentified fund.

Discussion

Summary of changes:

Section 60-32: Construction of private sewage disposal systems

- Removes mention of the City Planning and Development department and replaces with references to the Water Services department

Section 61-20: Enclosing natural drainage ditches

- Removes mention of the City Planning and Development department and replaces with references to the Water Services department

Section 63-21: Title and authority

- Removes mention of the City Planning and Development department and replaces with references to the Water Services department

Section 63-24: Definitions

- Changes the definition of "Applicant" to specify that an individual must submit an application to the Director of Water Services for a site disturbance permit, from the Director of City Planning
- Changes the definition of "Director" to specify the Director of Water Services rather than the Director of City Planning
- Changes the definition of "Site disturbance permit" to reference the Director of Water Services rather than the Director of City Planning

Section 64-4: Construction or repair by property owner of facilities in adjacent right-of-way

- Changes the definition of “Director” from the Director of City Planning to either the Director of Public Works OR the Director of Water Services dependent on the type of work performed
 - Public Works: improvements to streets, alleys, streetlights, streetlight signals, sidewalks, driveways, curbs and gutter, and retaining walls within the right-of-way
 - Water Services: grading, site disturbance, stream buffer protection requirements, storm sewers, and sanitary sewers

This ordinance also directs the City Manager to transition work duties from the City Planning and Development department to either the Public Works or Water Services departments, dependent on the scope of work identified above.

The ordinance does not specify funding levels or account strings.
