# Ordinance 240541

## Violence Prevention Program

- Adding \$343,666 from the Violence Prevention Fund to the existing contract with UMKC for evaluation services.
- Additional funds will allow for surveys of neighborhood residents in Year 1 and Year 5.
- The surveys will measure perceptions of violence among neighborhood residents.
- Not just homicide and non-fatal shooting metrics but also community perceptions metrics.
- Community feedback will achieve better outcomes.
