Hi,

My name is Babir Sultan with Favtrip we are multiple locations here in KC one of them is at 500 E 10th St KCMO. I would like to oppose the flavor tobacco ban Ord # 240897

As this opens the black market for bad actors to buy the same flavor tobacco from surrounding cities and sell it here in KC. Thus increasing workload for law enforcement. It takes away not only sales from us but also tax revenue for the city. It evaluates our properties due to lost sales. I would hope the city would vote against this ordinance.

and would also like to request public comment live on Zoom.

Thanks,
