STRASBURG C-3 SCHOOL DISTRICT

SPECIAL SCHOOL LEVY ELECTION
PROPOSITION K.I.T.S.

Shall the Board of Education of the Strasburg C-3 School District, Missouri, be authorized to increase the operating tax levy by $0.6400 to $4.4735 per one hundred dollars of assessed valuation for the purposes of attracting and retaining quality certified and support staff, maintaining facilities, and meeting additional operating expenses?

If this proposition is approved, the adjusted operating tax levy of the District is estimated to increase by $0.6400 from $3.8335, currently, to $4.4735 per one hundred dollars of assessed valuation for the 2025 Tax Year and can be applied to the assessed valuation for each year thereafter. The District intends to reduce the debt service levy by $0.6400 per one hundred dollars of assessed valuation in order to offset the estimated $0.6400 increase to the operating levy if this Proposition is approved by the voters, resulting in the total tax levy of the District to remain unchanged.

BELTON 124 SCHOOL DISTRICT

QUESTION #1

Shall Belton School District #124 of Cass County, Missouri (the "Belton School District"), be authorized to increase the operating tax levy ceiling of the District by $0.30 per one hundred dollars of assessed valuation for general operating purposes including for salaries and benefits for employees in order to recruit and retain quality faculty and staff?

If this question is approved, the adjusted operating tax levy of the District is estimated to increase by $0.30 per $100 of assessed valuation. In connection therewith, the District expects to make a corresponding reduction to its debt service tax levy of $0.30 per $100 of assessed valuation. This would result in the estimated overall tax levy of the District to remain unchanged.
