### PROACTIVE PUBLIC ENGAGEMENT

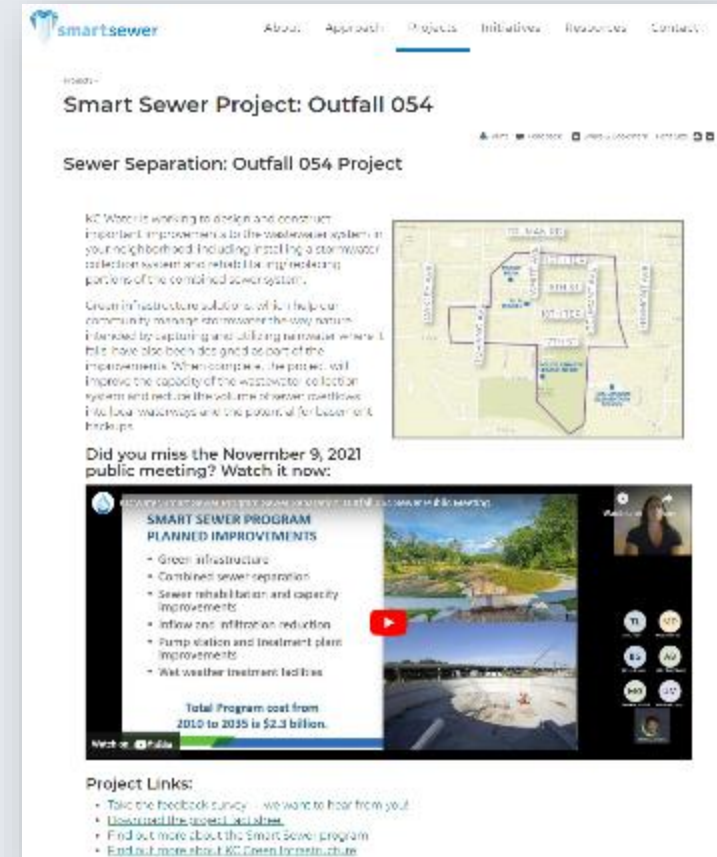

Public information webpage: <https://www.kcsmartsewer.us/projects/smart-sewer-project-outfall-054>

### Design Phase hybrid public meeting held November 9, 2021:

- 7 stakeholder meetings held in Spring/Summer 2021
- Affected customers received postcard invitation to public meeting
- Meeting recorded and posted online on KCMOWater YouTube

### Planned Construction Phase Outreach Efforts:

- Pre-construction public meeting / postcard to area
- Regular construction updates via email to subscribers
- Contractors notify customers prior to disruptive construction activities
