PROFESSIONAL STAFF RECOMMENDATION

Docket #9 Recommendation: Approval Subject to Conditions

RELEVANT CASES

Case Number CD-CPC-2023-00051 - Approved a Project Plan for the first phase of implementing an approved UR Development Plan on about 2 acres generally located at 1218 Union Ave.

THIS CASE REQUIRED APPROVAL OF A VACATION OF ST LOUIS AVENUE.

VACATION REVIEW

The street requested to be vacated is currently an improved street which connects Santa Fe and Mulberry Streets. Union Pacific Railroad Right of Way cuts through this section of St Louis Avenue. Case CD-CPC-2023-00051 approved a project plan of a mixed-use structure containing an apartment building. This proposal reconfigured the circulation on site and proposed a parking lot where St Louis Avenue is. This vacation is proposed to reduce conflicts with the railroad crossing which cuts diagonally through Mulberry Street and St Louis Avenue. The existing building on the corner of Mulberry Street and St Louis Avenue acts as a blind spot so that cars driving west on St Louis cannot see oncoming traffic or trains.

STREET, ALLEY OR PLAT VACATIONS

In order to determine that no private rights will be unreasonably injured or endangered by the vacation and the public will suffer no unreasonable loss or inconvenience, the city planning and development director, city plan commission, and city council must consider at least the following factors:

88-560-10-A. All property owners adjacent to the right-of-way shall have legal access to another public right-of-way. Such access shall be physically feasible and shall not result in an unreasonable burden or unsafe conditions on the alternate right-of-way.

All adjacent property owners will retain legal access to public right-of-way.

88-560-10-B. The retention of the public right-of-way or subdivision serves no current purposes and no future useful public purpose is anticipated.

The street in question does not serve any future public purpose. The area around the site is to be redeveloped into a mixed-use community.

88-560-10-C. The vacation will not result in a violation of 88-405.

The vacation will not be in violation of 88-405.

88-560-10-D. The vacation shall not disrupt the constructed street network or reduce existing physical connectivity.

The vacation will disrupt the existing street network. However, the request of this vacation will promote safety as the current right of way intersects with railroad right of way at an angle which has a blind spot from oncoming traffic and trains.

88-560-10-E. The vacation shall not result in a dead-end street or alley.

The proposed vacation will not result in a dead-end street or alley, as the proposed vacation eliminates an entire street.

88-560-10-F. The vacation shall not result in street traffic being routed through an alley.

No traffic will be routed through an alley as a result of this vacation.

88-560-10-G. The vacation shall not vacate half the width of a street or alley.

This vacation will not vacate half the width of any street or alley.

88-560-10-H. The right-of-way to be vacated is not on the Major Street Plan.

The area being vacated is not on the Major Street Plan.

Attachments: 2023-03-17 Revised Utility Comment Sheet-KC Streetlighting.pdf

Hello,

Attached is your vacation form. If approved, the following steps would have to take place for the vacancy of streetlights:

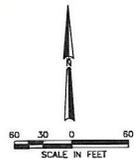

1. Pole # SAD0551, arm & luminaire would have to be returned to the city. Flood lights mounted on same pole, or any pole for that matter, ***DO NOT*** belong to the city.
2. On pole # SAD0552, luminaire , arm, and wood pole would have to be returned to the city as well as the mounted traffic signs.
3. Overhead wire spans that currently power our streetlights between SAD0551 and SAD0552 & between SAD0552 and SAD0553 would have to be removed and returned to the city.
4. Power to streetlights pole numbers SAD0553, SAD0637 and SAD0664 will still need to be maintained.
5. Plans would have to be reviewed and approved by our streetlighting Engineer, Victor Pecina.
6. Any and all costs of vacancy of the streetlights and it's infrastructure will be cost to the project/developer.

If you have any further question, contact KCMO Public Works Streetlighting personnel.

Thank you,
