Introductions; additions or changes to the agenda
Approval of Minutes

New Business

Election of Officers
3rd District recruitment update

Old Business

Annual Meeting Recap

Presentations

Jacque Lamer, Longfellow Neighborhood resident, is spearheading an effort to address the impacts of a dark grocery store located on a residential street. The DashMart operation receives up to an estimated 100 vehicles an hour during peak “Dasher” hours. As with other gig-economy industries which don’t align with existing municipal processes and structures, there is a significant impact to basic services, quality-of-life, and even access to emergency healthcare services.
