Executive Summary

Directing the City Manager to submit a response to the Missouri Department of Revenue's Request For Proposals for license office operations; and directing the City Manager to develop a yearly funding plan in an amount not to exceed \$750,000.00 for operational costs and report back to City Council in 30 days.

Discussion

Resolution No. 240894 directed the City Manager to review the feasibility of establishing a city-operated Department of Motor Vehicles licensing office.

The feasibility study identified potential site locations and estimated operational costs would range from \$500,000.00 to \$750,000.00 per year.

Licensing offices offer a number of vital services, such as driver license renewals and motor vehicle titling and registration.

On January 8, 2026, the licensing office located at 1161 Emanuel Cleaver II Boulevard closed, significantly limiting access to licensing office services for Kansas City residents.

The Missouri License Offices Bureau is currently moving forward with a Request for Proposal process for operations of licensing offices.

The City Council believes it is in the best interest of Kansas City residents to establish a city-operated license office
