ORDINANCE NO. 210682

Twin Creeks Storm Risk/Needs Assessment for Planning and Development Assistance, Amendment No. 4

Authorizing a \$248,262.00 Design Professional Services Contract Amendment No. 4 with Wood Environment & Infrastructure Solutions, Inc., for the Twin Creeks Storm Risk/Needs Assessment for Planning and Development Assistance project; and authorizing a total contract amount of \$624,816.00.

ORDINANCE NO. 210682

This is the final phase of the online floodplain mapping system for the Twin Creeks area. The project will create an online portal that will more effectively communicate known flood risks. It is anticipated that this model will serve as a local a national example of effective flood risk communication. FEMA is contributing \$150,000 towards the development of this portal.

THANK YOU
