Discussion

Project Justification

The Water Services Department is undertaking this construction project to make scheduled and emergency repairs to the water distribution system.

Project Description

This project consists of water distribution system repairs on an as-needed basis including repairs to water mains, fire hydrants, valves, and services. Work will be performed throughout Kansas City, in Cass, Clay, Jackson, and Platte Counties, Missouri.

The original contract was based on unit prices with a maximum obligation of \$2,400,000.00 for one fiscal year with two potential \$2,700,000.00 renewals at the City's option (a total of \$8,100,000.00 maximum commitment over three fiscal years). This ordinance is for the first renewal option.

The work will include the transfer of customers' water service connections from existing water mains to new water mains. The amount of this contract is \$2,700,000.00.

Term

The term of this contract's Renewal No. 1 is 365 calendar days.
