

**City of Kansas City, Missouri
Health Commission Contract Performance
and Reporting Requirements Review
Committee
July 6, 2026
2:00pm-3:30pm**

Kansas City, Health Department

Watson Innovation Center (in-person)

The Health Commission's mission is to achieve a city-wide collaboration and partnership of organizations and individuals to work together to build a healthier community.

There will be a closed session, pursuant to Section 610.021 subsection 1 of the Revised Statutes of Missouri to discuss legal matters, litigation, or privileged communications with attorneys; pursuant §610.021(11) of the Missouri Sunshine Law to discuss specifications for competitive bidding. Pursuant to Section 610.021 subsection (12) of the Revised Statutes of Missouri to discuss sealed bids or proposals.

Commission Success Operational Definition

We will have built an internal infrastructure that is collaborative, accessible, and innovative. Based upon empirical data, lived experiences of impacted communities, and group consensus we will have shaped the conversation to inform policy and influence positive impact in the lives of impacted residents and therefore all residents. We will have won policy initiatives that improve the lives of the residents of Kansas City and the surrounding area and established the Health Commission as a body whose recommendations inform good policy.

Listening Session #2 Agenda

Health Commission SNP Performance and Reporting Requirements Sub Committee

- Welcome and Introductions – **Councilman Duncan**
- Update on SNP FY27 Contracts status
- Questions:
 - What are the impacts of the decisions we are making?
 - What does reporting and accountability look like for you?
 - How do we contact all clinics not current recipients of HL dollars?
 - What services would be reduced?
 - How many patients are served with Health Levy funding?
 - What populations would be most impacted?
 - How should these impacts inform future RFQ processes and City Council decisions?
