# **First Quarter Budget Analysis Report**

This summary focuses on the General Fund. Issues in other special revenue funds are highlighted when anomalies exist as defined in the Code of Ordinances, Section 2-1956(c).

Anomalies include:

1. Major expenditures or revenue exceptions that affects a fund's total expenditure budget by one percent or total over \$500,000.00;
2. Significant variances that are not part of a normal pattern;
3. Variances that most likely negatively or positively impact the ending balances in a department or a fund at the end of the fiscal year.

## Purpose

*Pursuant to **Section 2-1956** of the Code of Ordinances, a quarterly budget report analyzing actual and anticipated revenues and expenditures will be presented the first three quarters of every fiscal year.*
