

Union Hill Special Business District

Ordinance No. 250166

February 25, 2025

Finance, Governance and Public Safety Committee

Union Hill Special Business District

- The district was established pursuant to Ordinance No. 900675 on December 6, 1990
- The District Board annually establishes a rate of front foot assessment for properties within the District
- The City facilitates the billing and collection of the assessments
- Collected revenues are used for insuring, maintaining, and operating the pedestrian lighting fixtures and brick entry monuments within the District

Ordinance No. 250166

- Consents to the 2025 Board approved assessment rate of \$3.50 per front foot and its use for the purposes of the District
- Estimates and appropriates expected collections of \$65,000
 - Amounts collected will be remitted to the District
- Allows certain accounts to roll forward to complete the collection and pass thru processes
