Re: Request for Verification of Petition Signatures

Dear Director of Elections,

I am writing to respectfully request a formal review and verification of the signatures submitted for the petition titled: **Petition for Upgrades to KC INCL. Airport Monorail Connecting KCI to Union Station HUB**, filed on **June 1, 2026, in the City Clerk's Office**. Ensuring that all signatures meet the legal requirements for validity is essential to maintaining the integrity and transparency of the petition process.

Specifically, I ask that your office:

- Confirm that each signature belongs to a registered voter within the appropriate jurisdiction.
- Verify that all signers provided complete and accurate information as required by law.
- Identify and document any signatures deemed invalid, including the reason for invalidation.
- Provide a written summary of your findings once the verification process is complete.

This request is made in the interest of accuracy, fairness, and public confidence in the electoral process. I appreciate the important work your office performs and thank you in advance for your attention to this matter.

Please let me know if any additional information is needed from me to facilitate this review.

Sincerely,

Marilyn Sanders
City Clerk
