Discussion

The request is to consider approval of a Final Plat in District MPD (Master Planned Development) on about 77 acres generally located on the north side of Highway 152 in between North Line Creek Parkway to the west and North Platte Purchase Drive to the east to allow for the creation of one lot for the purposes of a multipurpose sports field complex. This use was approved in Case No. CD-CPC-2019-00202 which served as the Preliminary Plat.

The Final Plat for Central Bank Sporting Complex was originally filed under CLD-FnPlat-2021-00049 and approved by City Council through Ordinance 220264. The approval expired on March 31, 2026, as the plat was not recorded within four years of City Council approval. A new application has been submitted to obtain reapproval from City Council and allow for recording of the plat.

Final Plats are the legal instruments used to formally subdivide land in accordance with the layout approved in the Preliminary Plat, which is often presented in multiple

phases, as this proposed plat is. The review of a Final Plat includes verification that all required public utilities have been properly extended and accepted by the City, and that stormwater detention covenants have been finalized and reviewed for compliance. This Final Plat is consistent with the previously approved Preliminary Plat and complies with all applicable lot and building standards outlined in Section 88-110 of the Zoning and Development Code.
