Executive Summary

Approving a rezoning without plan from district B3-3 (Commercial) to M1-2 (Manufacturing) on about 10.75 acres generally located west of Interstate 29 on NW Prairie View Road, between NW Cookingham Drive to the north and NW 112th Street to the south. (CD-CPC-2024-00117)

Discussion

The applicant is requesting approval of a rezoning without plan from B3-3 to M1-2. The surrounding properties are used commercially or are currently undeveloped, and are zoned KClA and B3-3, which are mainly commercial districts. The subject property is well suited for the uses of the B-3 district, the use and zoning of the surrounding properties are similar and the proximity of the site to the airport supports the use. The KCI Area Plan recommends Commercial/Industrial uses for this location.

The applicant does not have specific plans for the property at this time. The proposed zoning district will allow for potential manufacturing uses, however the low intensity of the proposed zoning district provides safety measures and requires entitlement for uses that might raise concerns for the wider community.

Public engagement as required by the Zoning and Development Code was completed on 10/04/2024; no one attended the neighborhood meeting. The application was heard at the 10/16/2024 City Plan Commission. No public comment was given at the meeting. The Commissioners voted to recommend approval without conditions.
