RESOLUTION - Establishing the City of Kansas City's legislative major priorities and positions on matters for the 2022 session of the Missouri General Assembly.

WHEREAS, the Missouri General Assembly will convene on January 5, 2022; and

WHEREAS, the City has engaged in a process to identify its major priorities and positions for the General Assembly; NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

Section 1. **MAJOR PRIORITIES.** That the City adopts the following major priorities on matters that may come before the 2022 session of the Missouri General Assembly:

1. **Local Control.** Oppose efforts to undermine local control for Kansas City and support Legislative action to return Mayor and City Council-led local control of the Kansas City Police Department rather than the current control of the Kansas City Police Department by a committee comprised of four members appointed by the Governor of Missouri.
2. **Earnings Tax.** Oppose any effort to undermine the Earnings Tax and support the extension of the Earnings Tax renewal period to strengthen the City's bond rating.
3. **Public Health.** Support additional funding to local public health agencies to coordinate COVID-19 mitigation efforts and the successful distribution of a COVID-19 vaccine and support an increase in public health funding that is equitably distributed across the state of Missouri including Kansas City.
4. **Violence Reduction.** Increase funding to local municipalities and non-profits for evidence-based efforts that address the root causes of gun violence. These include programs to provide support to victims of gun violence, diversion and intervention programs, and targeted programs that help law enforcement agencies solve more homicides and shootings.
5. **Police Residency.** Retaining the residency requirement for all employees and officers of the Kansas City Police Department.

Section 2. **POSITIONS.** That the City adopts the following positions on matters that may come before the 2022 session of the Missouri General Assembly:

4. **Expanding Access to Democracy.** Support legislation which allows for early voting and same day voter registration.
5. **Discriminatory Laws.** Oppose legislation that would be reasonably viewed as discriminatory toward any citizen of the State of Missouri and harmful to its economy and support legislative efforts to provide additional protections under the Missouri Human Rights Act, such as the Missouri Nondiscrimination Act (MONA), to prohibit discrimination in employment and housing.
6. **Promoting Tax Uniformity in the Accommodation Industry.** Support amending Missouri Revised Statutes Sections 92.325, 92.327 and 92.331 to ensure residential dwelling rentals are subject to the same tax obligations as similarly situated accommodation providers.
7. **Sales and Use Tax Parity (e-commerce).** In the wake of South Dakota v. Wayfair Inc., Chapter 144 of the Revised Statutes of Missouri should be amended to ensure that Missouri eliminates the disparity in tax rates (both sale and use; local and state) collected by in-state local businesses and out-of-state sellers, specifically ensuring the collection of tax on internet purchases, without a rollback of existing tax rates.
8. **Cable Franchise Fee.** The City opposes any efforts to reduce or restrict the 5% fee it is allowed collect from video service providers providing video service in the City, without an equivalent revenue substitute.

14. **Recidivism Reduction.** Support funding of the Second Chance Risk Reduction Center and other programs created to reduce recidivism of former prisoners.
