Interdepartmental Communication

DATE: November 18, 2025

TO: Chairperson Lucas and Members of the Transportation, Infrastructure and Operations Committee

FROM: Michael Shaw, Director of Public Works

SUBJECT: Traffic Regulations Ordinance

Attached is a listing of TRAFFIC REGULATIONS which the Public Works Department initiated nearly 90 days ago. These regulations have undergone a period of test and evaluation and the Department is now preparing an Ordinance Request to make these regulations permanent. This list includes:

REGULATION	ORIGINATION DATE
Nos. 66572 through 66580	March 24, 2025
Nos. 66581 through 66593	April 9, 2025
Nos. 66594 through 66611	May 8, 2025
Nos. 66612 through 66621	May 30, 2025
Nos. 66622 through 66631	June 10, 2025

These regulations consist of various removals and installations of traffic control devices and signs. A description of the reasons these changes are recommended accompanies each entry on the listing.

In accordance with the Committee request, we are providing you advance information concerning the Ordinance we propose to introduce. Within the next few days this Ordinance Request will be filed with the City Clerk and appear on the Council Docket.

If you wish additional information or have questions or comments about any of the REGULATIONS which we recommend to become permanent, please contact my staff.

Approved
