Discussion

The applicant is seeking approval of a major amendment to a previously approved Development Plan in District B3-3 on about 6 acres generally located at the southeast corner of North Congress Ave and Northwest Prairie View Road allowing for a 7,244 square foot building addition to the existing Jay Wolfe Toyota Dealership.

The proposed amendment is more than 10% of the existing structure which requires a Major Amendment to an existing Development Plan per Section 88-516-06 of the Zoning and Development Code.

The addition is proposed on the western portion of the existing building and will be constructed of brick to match the structure. It will include a garage door with transparent glass and will serve as additional space for the dealership's service department. The proposed architectural materials and articulation are consistent with the existing building and surrounding development.

Landscaping improvements to the entire site are also included in the proposal. This will bring the site into conformance with current landscaping standards. These include street trees, continuous shrub lines to screen vehicular use areas, and interior plantings. Notable species include New Harmony Elm, Ginkgo, Paperbark Maple, Shenandoah Switchgrass, and Inkberry.
