Ordinance: 260583

EV4435- Refuse, Recycling and Collection
Service

Procurement Process

This Contract (EV4435) will provide Refuse, Recycling and Collection Service for various City departments from buildings and such other stations and will include all labor, equipment, tools, materials, and transportation.

The City issued an RFP on 1/15/2026 and closed it on 2/5/2026. Two suppliers responded: GFL DBA WCA Waste Corp of Missouri and Waste Management of Kansas, Inc. The final award was made to GFL DBA WCA Waste Corp of Missouri for a three-year contract with three one-year renewal options.

We are requesting to exceed \$400,000 annually. The anticipated annual spend is \$800,000. The previous 5-year contract had an average \$1M annual spend.
